- 2<sup>nd</sup> & 3<sup>rd</sup> May – Year 4 Residential Trip

\*\* = letter to follow

As additional dates are added we will inform parents through our Friday Parentmail bulletin.

#### SCHOOL HEALTH ADVISOR

Following a very well attended Health Advisor session last term we will be hosting another session on 14<sup>th</sup> February at 9.15am in the school hall. This session will focus on healthy eating for children. There will be lots of ideas and support on how to encourage your child to make healthy choices with examples of healthy breakfasts and packed lunches. Everyone is welcome!

### **PARENT FORUM**

There will be a Parent Forum meeting on 5<sup>th</sup> February to discuss school initiatives and developments.

I am in the process of securing a date for a parent meeting with the headteachers of King Edward VI Upper School and Hardwick Middle School to discuss School Organisation review and transition arrangements. Once this date is confirmed I inform all parents as soon as possible.

### **SCHOOL COUNCIL**

This term each class has elected new members for the School Council:

- Fergus Willcocks
- Rosie Walters
- Joseph Blair-Slater
- Lola Ray
- Maxwell Lyon
- Eliza Kydd
- William Gu
- Rosie Wallace
- Elliot Blair-Slater
- Izzy Price

This term the School Council will be planning events for Red Nose Day on 15<sup>th</sup> March, creating a School Council brochure and designing the School Council page on the school website. Please check our School Council notice board for updates.

### **ECO GROUP**

This term each class also elected members for our new Eco Council:

- Harris Larner
- Ella Lane
- Hollie Cunningham
- Sebastian Sharpstone
- Posy Chapman
- Tilly Price
- Jake Andrews
- Libby Maskell Mills
- Zane Robinson
- Kaitlin Smith

This term the Eco Group will carry out an audit of how we use water and energy in school and ways in which we can save electricity. We will also look at ways in which to promote and participate in a recycling themed initiative called Waste Week in March.

On our Eco notice board we have displayed some of the entries for our energy saving competition. There is still time to enter...the closing date is 18<sup>th</sup> January. All entries must be in colour and on an A4 piece of paper. Winners will receive an eco friendly wind up torch and all winning posters will be displayed around school

### **ART CLUB**

Art Club will recommence after February half Term. More details will follow in the forthcoming weeks.

### **PARKING**

I have been approached by several parents who are concerned at the number of cars that are mounting the kerb and undertaking three point turns in the road when children are using the pavement. This poses a danger to our children as they travel to and from school which is of great concern all parents and the school.

We have also had complaints about the number of parents who are stopping on the zig zag lines and dropping their children off so that they walk into school on their own. I do understand that parking is difficult and that parents sometimes have to park a distance away from school to then walk their child to school but as primary school aged children they should not be expected to make their own way into school and it is an offence to park on the zig zag lines.

### **VOLUNTEERS**

As a school we always value the support we receive from parents and volunteers. If you have some time to spare to listen to readers, support activities in class or help at any of our enrichment activities please get in touch.

Kind regards,

Clare Lamb  
Headteacher
