Inspire Challenge Succeed

13th September 2013

Dear Parents,

PARENT GROUP WELCOME COFFEE MORNING

On Thursday 26th September our Parent Group will be holding a 'welcome coffee morning' in the school hall at 9am. This is a great opportunity for new and existing parents to meet other parents, find out about school events and activities and become part of our school community. See you there!

PHONICS SESSION FOR PARENTS

On Monday 23rd September we will be holding a Phonics Awareness session for parents of children in Reception, Year One and Year Two at the end of the school day. This session is a repeat of the session held last year, which I know many parents found very useful when supporting their child with reading and phonics at home. Everyone is welcome, including parents who have already attended but who would like a refresher. There will be a crèche in the school hall for children at our school and younger siblings.

SWIMMING

Our Key Stage Two children enjoyed their first swimming lesson this week at the Kingfisher Pool in Sudbury. Could we please remind parents that every child needs to bring a swimming hat for these sessions. The swimming pool will not allow children to participate if they do not wear a swimming hat.

We do still have some outstanding contributions towards swimming bus money and would be grateful for any payments to the school office.

PLAYTIMES

At the moment we do seem to be having some variations in the weather with beautiful sunny days followed by cold windy ones! Please could we ask that children bring sun hats for the warmer days and coats for the not so warm days. When the weather is cold **all** children do go outside to play so please ensure that your child has a coat with them for playtimes and lunch breaks.

THANK YOU!

I would like to say a big thank you to those parents who came along to support one of our Governors, Sue Brouder with the outdoor work party this week. After a morning of pruning, weeding and tidying our school grounds look wonderful!

I would also like to thank the group of Governors who monitor after school clubs. Lorraine Plummer has done a great job of coordinating the clubs for the start of term and liaising with parents and club leaders to ensure that a variety of activities have been put in place so quickly.

SEED TO TREE PROGRAMME

Following my letter concerning the reintroduction of the Seed to Tree Programme, our Year Three children enjoyed a very busy afternoon in the tree nursery tending and mulching the saplings. They also pruned the trees and bushes in the nursery to ensure that the saplings have enough light to help them to grow and flourish before they are transplanted in Golden Wood in November.

QUESTIONNAIRE

I was delighted to have already received some responses to our annual school questionnaire today! There is now a box outside my office for your returned questionnaires which should all be completed and returned by Monday 23rd September.

PARKING

Please make sure that when you are collecting or taking your child to school that you do **not** park in the yellow zig zag lines. This is not only a traffic offence but it does cause a danger for other road users and pedestrians. It also causes problems for our school buses which need to pull onto the car park so that they do not obstruct the road.

I hope that you have an enjoyable weekend and we look forward to seeing you all next week!

Kind Regards,

Clare Lamb
Headteacher
