

All Saints' CEVCP School Single Equalities Policy

Equalities Policy

Introduction

This policy outlines All Saints' CEVCP Primary School's commitment to advance equality, eliminate discrimination and foster good relations in accordance with the Equalities Act 2010 and the Public Sector Equalities Duty. All Saints' CEVCP School's equalities policy amalgamates our policies and approaches in relation to diversity and equalities into one single policy. The policy is accompanied by an equalities action plan. This has been informed by our analysis of the information we know about equalities and the protected groups within our local school community.

Statement/Principles

The policy outlines the commitment of the staff and Governors at All Saints' CEVCP School to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access. The diversity within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At All Saints' CEVCP School, equality is a key principle for treating all people the same irrespective of their gender, race (ethnicity, colour and nationality) disability, religion or belief, sexual orientation, age or any other of the protected characteristics; Marriage/civil partnership, Pregnancy and Maternity and Gender Reassignment (Single Equalities Act 2010).

This policy has been drawn up as a result of discussion within a working party made up of representatives of teaching and support staff, pupils, parents, and governors and has been shared with the whole school community.
