

Ash Class Information for the Autumn Term

I hope you and your child had a great summer holidays and are now looking forward to the year ahead. Here are some of the things your child will be learning in school this term:

| | |
|---|---|
| Maths | Counting sequences, Place value, Addition and Subtraction, Problem solving and money, Measurement, Shape. |
| English | Information texts, Asking questions, Stories - descriptive writing and familiar settings, Poetry, Instructions. |
| Topic - Art, DT, History, Geography, Science. | Ourselves Autumn |
| ICT | Labelling / Communicating with text. |
| PSHE / SEAL | Friendship |

Please make sure that your child always has PE kit on Monday and Thursday and if they wear earrings they are either taken out on those days or have tape to cover them over with.

This term your child will have spellings on a Friday and will be tested the following Friday. I will send them home on a sheet of paper and then test them in their spelling books and then send the book home so you can see how they have got on. Please make sure the spelling book is in their book bag on a Friday. The spellings will be appropriate for your child's ability.

I am also going to send a piece of Numeracy homework home on a Friday which will support what we are learning in class that week, and would like to collect it in on the following Friday.

Please read with your child as much as possible, book bags are checked daily in school and reading books are changed when needed. I would welcome adult helpers first thing in the morning to listen to readers on any day!
