Inspire Challenge Succeed

12th September 2014

Dear Parents,

SUMMER READING CHALLENGE

If your child took part in the Summer Reading Challenge don't forget to send their certificate into school so that we can give recognition for this wonderful achievement. Mrs Kemp would be delighted to see all certificates.

SENDING MONEY INTO SCHOOL

Each day we have a number of envelopes coming into school for school lunches, Breakfast Club and for our many after school clubs. We have set a new system in place to help with the organisation of this and would request that all envelopes containing reply slips or money are given directly to the class teacher and not taken to the school office. This will allow our class based Teaching Assistants to log the various envelopes as they come into school. Thank you!

BREAKFAST CLUB

Our Breakfast Club is going from strength to strength with growing numbers of children attending each day. The improved facilities now enable the children to have a designated area to take part in the various activities and to have a space for eating their breakfast. Could we please request that if you require a place at Breakfast Club for your child that you let us know by 3pm the day before so that we have the correct number of staff. We do understand that from time to time emergencies do occur and you may need a place at short notice and in these circumstances it would be best if you email : lawshallschool@hotmail.com or ring the school office and leave a message.

ROAD SAFETY

As our school grows and we have an increased number of children who travel greater distances to our school we do understand that the amount of cars each day will increase. Please could we remind you to park safely and not to turn in the road or the school car park

Motivation Cooperation Creativity Independence Curiosity Stickability

in order to avoid situations which jeopardise the safety of our children. Could we also remind you that no cars should park on the yellow zig zag lines and that no children should be dropped off outside school on these lines as these are not only dangerous but also constitute a road traffic offence.

MIDDAY SUPERVISORS WANTED!

If you would like to join our team and work as a midday supervisor, either on a regular basis or a relief basis, please collect an application pack from the school office.

NEW NATIONAL CURRICULUM

Over the past academic year we have been working hard to implement the changes to the new National Curriculum. When planning our curriculum we have been mindful of your feedback in the Parent Survey that you would welcome more information about what your child is learning and when.

Although each class teacher sends home a newsletter at the start of the new term detailing the curriculum we felt that it would be really useful for you as parents to be able to support your child's learning if you have an overview of the curriculum for the year. Our curriculum document gives details of what the key topics are, along with the key skills and learning objectives for each subject.

Today you will all be sent a copy of the curriculum for your child for this academic year by Parentmail and these documents will also appear on our new school website. Further information concerning the curriculum will be discussed at the Parent Forum meeting on 18th September 9am in the school hall. Information regarding the changes to English and Maths will also be sent to you next week.

SCHOOL WEBSITE

We now have a new school website which has been created by one of our very kind Parent Governors, Stephen Haynes. This new website will be easier to update and will therefore be a useful and up to date source of information about our school.

The website address of the new site is: allsaintsprimary.org

We hope that you will find this useful and we would welcome your feedback.

I hope you have a good weekend.

Kind Regards,
Clare Lamb
