Inspire Challenge Succeed

Dear Parents,

THANK YOU!

I would like to say a big thank you to everyone who contributed to the success of our Harvest Celebration on Friday 10th October. The food created by parent volunteers and children was delicious and enjoyed by everyone at the end of the day. We raised an impressive £125 towards seeds and compost for our school garden.

HAPPY PUZZLE DAY

On Monday the whole school enjoyed a maths problem solving day with the Happy Puzzle Company. Each class were given different resources to help them solve a variety of maths problems. The activities encouraged the children to not only use their mathematical skills but also their learning behaviours! We saw lots of 'stickability' for the trickier problems and some great 'cooperation' for the team events.

SEED TO TREE

Children in Oak Class took part in Step One of the Seed To Tree environmental programme this week. They searched for maple seeds which they then planted in our tree nursery. Oak Class also spent time in Frithy woods identifying leaves and trees and finding animal tracks as part of their nature hunt.

MENU CHANGE

On Thursday 23rd October the school meal menu has been changed. The menu option will now be fish and chips with ice cream for dessert.
