ARTWORKS

This week children in Horse Chestnut Class had their first art session with artist in residence, Valerie Armstrong. The children had a very busy and productive afternoon creating collograph printing plates which they will use to create multicoloured prints next week. This workshop follows on from their visit to Blackthorpe Barn in September and part of our Artworks art bursary.

CHANGES TO SCHOOL LUNCH MENU

On Friday 5th December we will hold our whole school trip to the pantomime. As we arrive back to school later than usual lunchtime Mrs Copping has amended the lunch menu. The children will have hot dogs and chips followed by an ice lolly.

SCHOOL WEBSITE

The school website has been updated with some new information and new features:

- We now a link to Suffolk County Council free school meals application page and information for parents on how to apply
- There is a new page for Family Action information leaflets for parents covering a range of subjects such as safety, how to help your child learn, how to promote independence and how to help your child succeed at school.

An exciting development is the introduction of class pages. The teachers have now received training on how to set up their pages and how to add photographs, newsletters and class information. These pages are still a work in progress but by the end of the term they will be a useful source of information about each class.
