Inspire Challenge Succeed

5th February 2016

Dear Parents,

BIRDWATCH ENRICHMENT DAY

On Wednesday the whole school enjoyed an enrichment day based around the RSPB Birdwatch initiative. The children had a visit from a Harris Hawk called Willow and a Barn Owl called Cobweb from Stonham Barns. Throughout the day the children carried out their own bird watches, dissected owl pellets, made bird feeders and created their own bird fact files.

DOCTOR BIKE SESSION

On Tuesday 9th February there will be a Dr Bike session where parents can bring in their children's bikes and their own to get mended/have a check over. Please bring your bikes to the cycle shelters in the morning where our Cycling Champion Steve will meet you. It is really helpful if you can pop a label on the handlebars with your child's name and class. Bikes will be ready to collect at the end of the school day.

READING CHALLENGE

Well done to everyone who took part in the Reading Challenge. I have counted 101 returned forms and will spend time over the weekend working out the total minutes read during the week and will find out who our Reading Champion is at All Saints'. If you have not returned your child's form, please email me their name and total number of minutes by Saturday evening.

CHRISTINGLE

The collection from the Christingle candles raised a brilliant £190.04, which will go towards supporting vulnerable children through the Children's Society.
