Dear Parents,

This week our Year Six children visited the Theatre Royal in Bury St Edmunds to see the production of Hamlet. They also spent time participating in a Hamlet themed drama workshop in which they assumed the roles of the key characters. These sessions will be built upon each week with the children learning parts of the play for a final performance to a paying audience at the Theatre Royal this term. This is an exciting project and we are very lucky to be involved in such a great experience.

PARKING

This morning a number of parents spoke to me as they were by a man taking photographs outside school. On investigation the man was found to be a local resident who was collecting photographic evidence concerning the parking situation on the road. I have checked all photographs and I am satisfied that there were no images of children or parents taken. I would like to reassure parents that I have dealt with the matter fully and I have been given every reassurance that this will not happen again.

I have also been contacted by a local resident who has asked that all parents are made aware that cars should not be parked on the grassed areas at Hall Mead or obstructing resident's drives. Please could we also remind you that cars should not be parked where there is a dropped kerb along the road outside school and that is dangerous to park cars on the bend by Lawshall Hall as this causes cars to drive on the wrong side of the road, which could cause an accident.

Please ensure that you drive at a slow speed on the road outside school and park considerately in order to ensure the safety of our children.

HARVEST FESTIVAL

This Sunday there will be a Harvest Festival Celebration at All Saints' Church at 3pm. Everyone is welcome to attend.
