Dear Parents,

SCHOOL BUS – SHIMPLING ROUTE

I have been contacted by the driver of the school bus who is concerned that children travelling to school are not putting their seatbelts on. Please could you accompany your child onto the school bus and ensure that their seatbelt is fastened for their journey to school. If you do not put your child on the bus, please could you reinforce with your child that they must put their seatbelts on for all journeys to school.

ENTERPRISE INITIATIVE

Children in Elder Class are taking part in the Virgin Money 'Make £5 Grow' enterprise initiative. Each pupil has been given £5 to spend on materials to create their own products. The children have organised themselves into small groups and worked collaboratively to produce an array of crafts and foods, which they will sell in their classroom after the Harvest Festival event on Friday. All profits raised will be spent by Elder Class on wet playtime resources and games. Please do come along and support Elder Class in this exciting venture and help them to raise as much money as possible!

HARVEST EVENT

Helpers are needed on Friday morning for cooking and food preparation for our Harvest foodie event. If you are able to come along and lend a hand, please get in touch with Mrs Kemp or with Mrs Norris who is also coordinating the helpers for the cookery sessions.

This year the Harvest Event on Friday 21st October in All Saints' Church at 2.30pm will be a Key Stage Two celebration. Children in KS2 will perform hymns, harvest songs and poems. Parents with children in KS2 are welcome to come along to All Saints' Church for this event. Following the service, parents and children from all classes will come together to celebrate Harvest in the school hall by enjoying the delicious food made by the children and parent volunteers. Please wait as usual in the playground at the end of the school day to collect your child before going to the school hall for our annual Harvest feast.
