Inspire Challenge Succeed

20th November 2016

Dear Parents,

YEAR SIX ENTERPRISE

Our Year Six pupils in Elder class are hoping to set up a bookshop in school for all of our pupils. The children have already been hard at work and have held two second-hand book sales and are now going to hold a cake stall to raise further monies. The cake stall will be in the school hall on Thursday 24th November from 3.20pm onwards. Please come along and support year 6 to raise the funds necessary to get started with this important initiative, which will help them to develop an understanding of how businesses run whilst enabling them to use key learning behaviours: motivation, cooperation, independence and stickability.

As part of this initiative, the children have written to a number of organisations for support in a gaining additional funding for this exciting venture, which they will add to the funds that they have raised through their own fundraising activities. We are delighted that a local businessman has been so impressed with their enterprise and enthusiasm that he has decided to give his support to this worthwhile venture by providing some additional funding, which will enable the children to offer a wider range of books and stationary for their shop.

REQUEST FROM YEAR 5

At the Christmas fair Willow Class will run a tombola stall. They would be really grateful if parents and children can donate any unwanted gifts or nearly new toys for this stall. Please take all donations to Willow Class.

HEADLICE

A couple of parents have reported finding head lice in their child's hair. Please could you check your child's hair this weekend and carry out treatment if needed. You don't have to use chemical treatments as plenty of hair conditioner works just as well!

THANK YOU!

Thank you to everyone who donated unwanted clothes for our Bags2Schools collection last week, your support is greatly appreciated.

I hope that you have are enjoying the weekend.

Best wishes,

Clare Lamb
