

All Saints' CEVCP School

Governor Details and Interests

How the Governing Board is constituted?

The Governing Board of All Saints CEVCP has 15 members as laid out in the Instrument of Government last revised 1st December 2016. There are:

- **Three Parent Governors** – representatives but not delegates of parents.
- **One Local Education Authority Governor** – appointed by the LEA.
- **One Staff Governor** – who represents all school staff but again is not their delegate.
- **The Headteacher**
- **Two Foundation Governors** – who represent the church/diocese and help to ensure that the school's Christian ethos is maintained.
- **Seven Co-opted Governors** - who in the opinion of the Governing Board have the skills required to contribute to the effective governance and success of the school.

Appointing bodies:

- **Co-opted Governors** are appointed by the Governing Board
- **Foundation Governors** are appointed by the Diocesan Board of Education for St Edmundsbury and Ipswich after consultation with the Parochial Church Council of All Saints' Church
- **Local Authority Governors** are appointed by Suffolk County Council
- **Parent Governors** are elected by parents of children at the school
- **Staff Governors** are elected by staff employed by the school

Governing Board Structure

As well as twice termly Full Governing Board Meetings there are a number of committees and governors that have specific responsibilities that carry out the work of the Governing Board. They all report back to the Full Governing Board.

- The Steering Committee comprises of the Chairs of the other committees and sets the strategic agenda for the Governing Board and School.
- The Learning and Achievement Committee deals with the curriculum and the achievement and attainment of pupils.
- The Resources Committee oversees budgets, buildings and staff.
- The Headteacher's Performance and Review Committee sets and monitors targets for the Headteacher and makes decisions about her pay.

Named Governors

In addition to the work done in committees, several governors take on responsibilities for specific groups of pupils or areas within the school. At All Saints' we do not allocate particular curriculum areas for governors to monitor. Instead, all governors take responsibility for individual objectives within each year's School Development Plan as these are our agreed priorities for the school.

- The Named Governor for Safeguarding leads on all safeguarding issues throughout the school.
- The Named Governor for Special Educational Needs and Disabilities (SEND) champions the rights of children who require more than the school's universal offer.
- The Named Governor for Performance Management focusses on staff performance, how this is linked to school priorities and to their pay.
- The Named Governor for Health and Safety oversees issues relating to the school site and whether it is compliant with health and safety legislation.
- The Named Governor for Pupil Premium champions the rights of disadvantaged children within the school.
