 Headteacher **Lee Walker**

Activity	What you will do	Activity	What you will do
Performing Arts	<p>Phantom Fun</p> <p>If you love singing, acting and dancing then this is the session for you! You will work with some of the principal cast of our whole-school production of The Phantom of the Opera and learn some of the choreography and songs from the show.</p>	French	<p>Crime au restaurant</p> <p>A group of friends were eating at a restaurant.... But were they poisoned?</p> <p>In groups, you will be 'language detectives' and try and solve the crime, while learning food vocabulary and how to express your opinions in French. Miam miam!</p>
Maths	<p>Curves of Pursuit</p> <p>Come and explore "Curves of Pursuit"; mathematical patterns that represent the paths taken by animals being chased!</p>	Visual Arts	<p>A Work of Art</p> <p>Join us in our specialist Visual Arts studios and learn how to screen print.</p> <p>Using silk screens, fabric dyes, photo and hand cut stencils, you will have the opportunity to design and print your very own bespoke t-shirt or bag to take home with you!</p>
Science	<p>The Biology of Breakfast</p> <p>They say that breakfast is the most important meal of the day, but what is in your breakfast? Is there real iron in your cereal? How much sugar is in your orange juice?</p> <p>This session will allow you to try different biological techniques to identify and compare the nutrients found in breakfast foods and develop your laboratory skills.</p>	Computer Science	<p>Programming Power</p> <p>Interested in how computers work? Find out how to program the BBC Micro-bit mini computer to do your times tables or check for intruders.</p> <p>A great start to computer programming on a simple system, which you can also use at home.</p>
