Welcome back year 5!

Welcome back Willow Class! I hope you have all had a wonderful Easter Holidays; I look forward to hearing all about them! As you can see from our key date's list, we have got lots of exciting things to fit in our last term in year 5.

Starting on the 3rd of May, Willow class will be completing 4 forest school sessions. We are very lucky as these sessions have been funded with the money raised by the PTA. For these sessions, your child will need to bring in suitable home clothes and potentially coats and hats (you never know what the British

weather may throw at us!). We will be out in the woods so they will also need practical foot wear (such as boots or wellingtons). Due to an overlap in timings for those children that have music lessons on a Thursday afternoon, I have organised to switch our time slot with year 6 who start their lessons at 3pm.

Our school enrichment day this term will be focusing on Princesses and Princes to celebrate the looming Royal Wedding. More information about this day will be sent home closer to the event.

As the weather begins to get warmer (finally!) please can I ask that all children come into school with their own water bottles, especially as PE will be outside in the sunshine.

Attached is a copy of this terms timetable. If you have an questions, please don't hesitate to come and ask.
