Inspire Challenge Succeed

19th February 2017

Dear Parents,
I hope that you have had an enjoyable half term break.

PRE SCHOOL

You will notice when you arrive at school tomorrow that there have been some changes and that some areas of school have been cordoned off. This is because Pre School are having their own building built next to the Buttercup Building at the start of the summer term. Workmen have been in school over half term putting in place services and foundations for the new building, which will be delivered in the Easter holidays. Not only will this mean that Pre School have their own bespoke building but it will also mean that the Buttercup Building can be used all day by Oak Class for this year and then by Reception Class when they move back to the Buttercup Building in the autumn term. This will enable Pre School and Acorn Class to work closely alongside each other to develop an Early Years hub of excellence.

MENU CHANGE

The school lunch menu has two amendments for the week ahead:
Monday will now be cheese and tomato pizza.
Wednesday will now be chicken breast topped with bacon and cheese.

CAR POLLUTION

I have received a letter from a parent who is greatly concerned about the impact of car users on the health of our pupils when car engines are left running at the start and end of the school day. We do ask that parents are mindful of the impact of the pollution caused by car fumes on our pupils and on the environment.

TRAINEE TEACHERS

In March we will welcome a number of trainee teachers from Cambridge University. They will observe classes participate in a variety of outdoor learning activities, see how we teach science in Key Stage two through chemistry, physics and biology and get to see how we approach teaching and learning at our school. I have attached a letter from the university about these placement weeks.

Dates for the half term ahead:

- 22nd February - Years 4 and 5 Mission Impossible Food Hygiene sessions
- 24th February – Year 4 Bikeability
- 28th February – Whole school pancake making and races!
