Inspire Challenge Succeed

10th June 2017

Dear Parents,

YEAR 5 PHYSICS JELLY CHALLENGE

During half term four children from Year 5 took part in the Jelly Challenge at the Suffolk Show. The children were required to build the tallest tower possible using jelly and other foodstuffs and to record their predictions, plans and tests within a workbook. The children selected Weetabix as their chosen addition to the jelly mix, which had been successful in their tests within school but the hot weather at the show proved too much for the mixture and we came third with a tower of 22cm. However, the children's scientific workbook gained them a first prize. The prize was awarded by the Chair of Governors at West Suffolk College who commended the children for their scientific knowledge and understanding. Well done to Daniel, Poppy, Elle and Joseph!

THEATRE ROADSHOW

We are very much looking forward to welcoming two productions to All Saints' from the Once Upon a Festival initiative from the Theatre Royal in Bury St Edmunds. The Light House Keeps Lunch show will come to All Saints' this week followed by the Junk Orchestra next week. Please make sure your voluntary contributions to support the funding of these productions of £1.50 come to school in a clearly labelled envelope.

BURY SCHOOLS PARTNERSHIP ART EXHIBITION

Earlier this year children in Year 5 took part in an art workshop at King Edward VI Upper School where they created textile panels and creative pieces. These will be exhibited at The Apex on Thursday 29th June 5-7pm. This exhibition is open to all.

REMINDERS

As the warm weather continues, please make sure your child has a hat, a water bottle and sun cream applied before school each day.

Motivation Cooperation Creativity Independence Curiosity Stickability
