Dear Parents,

## SCHOOL GARDEN – HELP NEEDED

The school garden is used by children in years 3 and 4 and is run by a team of volunteers. Whilst the current team are happy to continue to run the garden next year they are looking for someone to take over by the end of next academic year when their children will be moving up into year 5. If you are interested in getting involved then please speak to Katie Norris, Wendy Mitchell, Helen Sharpstone or Rachael Waldron for more information about what is involved. We currently use the garden on Thursday afternoons from 1:30pm. Please come along and lend a hand any week that you can. Please make sure you sign in at reception and collect a volunteer badge from the school office.

If you would like to ask any questions about the garden then please contact Katie at [katiebellnorris@gmail.com](mailto:katiebellnorris@gmail.com)

## PARKING

Please make sure that if you park in Hall Mead at the start or end of the school day that you park considerately and do not block any driveways or park on the grass.

We're working towards Artsmark  
Awarded by Arts Council England

## VILLAGE FAIR

Thank you to everyone who came along to support the Village Fair on Saturday. I would like to say a special 'thank you' to those children who gave their time to create and run their own stalls as well as those children who helped to run a number of the other stalls. You were brilliant!

## SCHOOL FAIR

Don't forget to come along to the PTA School Fair after school on Friday following our Sports Day. Donations of bottles for the tombola and cakes for refreshments would be gratefully appreciated. All funds raised will go towards supporting the funding of enrichment activities for our children.

## HEALTH AND FITNESS WEEK

As we start our Health and Fitness Week can I remind parents to ensure that children have sun lotion applied each morning and that children all have a sunhat and water bottle. We look forward to seeing you all on Sports Day!

Kind Regards,

Clare Lamb
