*Inspire Challenge Succeed*

22<sup>nd</sup> September 2017

Dear Parents,

We have had a very positive start to the school year and the children have settled really well into their new classes.

Oak Class had a fantastic visit to Hollow Trees Farm as part of their farming topic this term. The children enjoyed feeding the different animals, exploring the farm and finding out about crops and farming.

We started our Silver Book assemblies this week. It was wonderful to see some of the super work that the children have produced so far this year and to hear how confidently and enthusiastically they could talk about their achievements. We had lots of children who have used stickability, cooperation and motivation!

Don't forget to check your child's class page under the 'newsletter' section of the school website to see what the children have been up to this week.

## VOLUNTEERING

We are always grateful for the support from parents in helping children with their reading, in the garden, Forest schools or with their work in class. If you would like to become a regular volunteer at school please could you let Mrs Wilson know as we require all volunteers to have a safeguarding check called a DBS check.

*Motivation Cooperation Creativity Independence Curiosity Stickability*

## FOOTBALL

Please could we remind you that children are not allowed to play football at the start or end of the school day. We have previously had a number of injuries of children and parents at these busy times. We appreciate your support in this matter and in monitoring your child's behaviour at these times.

## SCHOLASTIC BOOK ORDERS

All Scholastic book orders must be returned by Tuesday 26<sup>th</sup> September. All cheques must be made payable to Scholastic Limited.

I hope that you have an enjoyable weekend and we look forward to seeing you next week.

Kind Regards,

Clare Lamb  
Headteacher
