## Parent Survey Results – Summer Term 2018

Dear Parents/Guardians

A big thank you to everyone who took the time to complete our parent survey. We had 80 responses which is our highest return ever. This is fantastic for a school of our size and shows us how much everyone feels engaged with their children's education at All Saints. There's a lot of very useful feedback, both to confirm how well we're doing and also to make us think about how we can improve further.

The results tell us that 97% of respondents either agree or strongly agree that their child feels happy, feels safe, is well looked after, and is well taught at All Saints. Two respondents answered that their child does not feel safe at All Saints and I would urge these respondents to contact me directly, as we take the safety of everyone at All Saints extremely seriously.

This year we changed the answer options for the questions: 'my child receives appropriate homework for their age', and 'I am aware of how I can help my child with their learning at home'. The changes have provided us with more meaningful information in both these aspects, which will be explored further in the new academic year.

Your responses to the questionnaire and your free text answers to the question: "if there is one thing we could do to help make the school better", have highlighted some areas that we will review, which are:

- our procedures for dealing with bullying
- informing you of the governing board members and how you can contact us
- minimising disruption when there are changes in class teachers during the year
- more sporting opportunities and competitive sporting events
- more after school clubs

In relation to our after-school club offer, we already have a wide variety of different clubs but we welcome any contacts that you have who are either qualified or professional and able to offer different activities.

The other free text question on what you like most about All Saints, has again provided us with some very positive and helpful information. Below are the most popular themes, together with a few example responses for each:

- **Teachers and staff**

“Excellent teachers who 100% support the pupils to achieve their full potential.”

“The quality of all the staff, their enthusiasm and genuine love for what they do”.

The staff are phenomenal; enthusiastic, dedicated and very hard working”.

- **The Community feel**

“The community feel and how everyone is welcome”.

“Exceptionally supportive and positive atmosphere”. I like the openness of the school allowing parents to walk about freely and feel involved with the children”.

“The fact that my children are known well by most of the staff and there is a strong sense of school community”.

“It feels inclusive to all children that attend the school and caters to the needs of individual pupils”.

- **Headteacher and leadership**

“The Headteacher and her day to day involvement with the school”.

“Strong Leadership”.

“It has an amazing Headteacher who is very approachable”.

My personal favourite comment is: “I like that All Saints’ is welcoming to all – parents and pupils alike. I feel very comfortable approaching any staff member with any concerns or questions I have. I often tell parents at other schools that I like that the school includes the whole family in the child’s education and appreciates that parental involvement is paramount to the learning of the child”.

Best wishes for a great summer.
