

Common Suffix Endings

In Year 2, it is expected that children should be able to read a selection of words ending in common suffixes taught in Key Stage 1. The children will have these words covered in class and will come into contact with these as they read too. Many of the children will use these in their writing too, which help provide an extra detail. It would be brilliant if you could also practise these at home (it can be counted as reading). Please do not hesitate to ask if you have any questions or if you would like a paper copy.

| Word | R | Word | R | Word | R |
|----------|---|----------|---|-----------|---|
| flies | | hiking | | fattest | |
| tries | | hiked | | runner | |
| replies | | hiker | | runny | |
| copies | | nicer | | enjoyment | |
