

WILLOW CLASS NEWSLETTER

Summer Term 2019

Wednesday 24th April 2019

WELCOME BACK!

I hope you have all had a wonderful Easter break, we were certainly spoilt with some amazing weather! . Willow Class worked really hard last term and I am very much looking forward to this continuing throughout our Summer term together as we have some exciting activities to look forward to starting with Bikeability week commencing Monday 29th April.

Spellings: *Spellings will continue to be sent home every Friday which will be tested the following Friday. Please can you make sure your child has their spelling book in school on Fridays so they can stick in the following week's spellings to practise. The test will take the format of a dictation. Year 3/4 and 5/6 spelling sheets are also on the website. Weekly spellings will also be posted on the website.*

P.E. : *will be on a Tuesday morning and Friday afternoon this term. Tom Bigg will be taking the Tuesday session which will be cricket and the Friday session will be divided between sport leadership and orienteering. Please ensure your child has tracksuit trousers and sweatshirt/fleece and trainers on these days.*

Homework: *Along with spellings the children will have one piece of homework which will be set Wednesday for collection the following Tuesday. Please can you ensure your child completes their homework on time. If it is not completed they will be asked to stay in one break time to complete it. They are also expected to read 15 minutes per night. The homework will also be posted on the class webpage for each week.*

Times tables: *All times tables need to be regularly practised. The children will be tested every Friday where they will have 100 mixed multiplication and division questions to complete initially in 5 minutes. The children have all been given a personal login in to Times Table Rockstars which I strongly encourage them to use to further secure their multiplication facts and speed of recall.*

This term...

Literacy: Character and setting descriptions; Precis writing and newspaper report writing.

Maths: fractions and decimals and percentages; geometry

Science: Chemistry—Geology, mixtures and separation

History: Anglo Saxons

ICT: E-mail and communication

Art/DT: 3D and engineering structures

RE: Judaism and Buddhism

PE: Sport leadership, orienteering, athletics and cricket

French: Encore

Reward system: Raffle tickets will be awarded for:

*Superb effort, content and presentation in their work
Outstanding conduct and behaviour in and around school
Excellent effort in homework
Full marks in spelling or time tables tests*

Two raffle tickets will be drawn each week, the class member whose ticket is pulled will be able to claim a stationery prize.

Mobile phones: *Some children in upper KS2 do bring mobile phones into school. If they are walking home independently. Should your child bring their phone in they will need to hand it to me at registration, I will lock it in a secure box for the day and return it to your child at home time.*

General: *Now your child is in Year 5 they may travel to or from school independently, however, we require written authority so please ensure you have given your consent in their journal.
Additional information can be found on the school website where I have also uploaded a copy of this term's timetable.*

If you have any queries or concerns please do not hesitate to speak with me either before or after school. You may also contact me by email at H.Coull@allsaintsprimary.org
