*Inspire Challenge Succeed*

22<sup>nd</sup> July 2019

Dear Parents,

## THANK YOU

I would like to thank everyone who responded to the Parent Survey and for the many positive comments about the work that staff do to ensure that we provide the highest quality education for our children. We are very lucky at All Saints' to have such hard-working, dedicated, skilled and caring staff and it was great that so many of you recognised this through your many positive comments about individual staff and generally about everything that we do as a team. We were very touched by your kind words.

## PLAYING FIELD

In the summer break we will carry out improvements to the school playing field to ensure that it is level and provides a safe surface on which our children can play and participate in sporting activities. On Thursday the work will begin with the top layer of grass being removed, levelling of the field and planting of grass seed. Once this work is complete we will need to ensure that the grass seed is watered each day in order that the field can be used by the children in the autumn term. Although staff can cover some days, none of us live locally so we are looking for local families who can pop up to school to turn on the sprinklers. Mrs Hood is creating a timetable for a watering rota, which she will hold in the school office. If you are able to help us with watering over the summer break, then please do pop in to see Mrs Hood before Wednesday afternoon to sign up to the rota or send an email to [office@allsaintsprimary.org](mailto:office@allsaintsprimary.org)

## MENU CHANGE

On Wednesday the children will have fish and chips for lunch.

## END OF TERM SUMMER CELEBRATION

We will hold our annual Summer Celebration event on Wednesday 24<sup>th</sup> July at 2.30pm. Due to the forecast for sunny weather and high temperatures we will hold this event on All Saints' Church where it will be lovely and cool! Please could you let the school office know if your child will not be travelling on the bus after the event so that we can update our bus list in advance of the end of the day.

Teaching & Leadership

## **BELONGINGS**

This week we will be scouring the school for any named items of clothing, lunchboxes and water bottles to ensure that they are returned to their rightful owner and taken home. If you are missing any items of clothing or other items then please do check lost property, classrooms and cloakrooms. The school will have a deep clean during the summer break and any unnamed items will be donated to charity.

## **REPORT SLIPS**

Thank you to everyone who has completed and returned report slips. Please could we ask that slips are returned by Wednesday morning.

I hope that you have had a good weekend.

Kind Regards,

Clare Lamb

Headteacher
