Happy Tuesday Year 4s!

Today's activities....

PE:
- Joe Wicks will be doing his usual session at 9am.

Maths: -
Today's activities include:
- Multiplication Grid.
- Magic Ten.
- Telling time to nearest 5 minutes recap.
- Telling time to nearest minute game.
- Making times on a clock.
- Practise your times tables on Times Table Rockstars for 15 minutes.

English: -
Today's activities include:
- Write a couple of sentences in your diary about what you've been doing today.
- SPaG Starter.
- Goblin Suitcase poem.

Reading and Vocabulary: -
Today's activities include:
- Spelling. – Look up definitions of each of this week's spellings.
- Read for 30 minutes. – You could login to Rising Stars.

Science:
Last week, you looked at the work of Maria Telkes who was heavily involved in the use of solar panels. Have a go at this lesson to explore other sources of energy:
https://www.bbc.co.uk/bitesize/articles/zm9jmyc

RE:
Today's activities:
- Exploring parables.
- Parable illustration.

Have a brilliant day!
Best Wishes,
Mr Mison ☺

Spelling - Tuesday 23rd June

Write a definition of all of this week's spellings.

height	
history	
imagine	
increase	
important	
interest	
island	
knowledge	
learn	
length	

Maths – Tuesday 23rd June

Multiplication Grid:

x	0	4	1	9	5	7	10	6	3	8
10										
2										
6										
8										
5										
3										
12										
8										
7										
31										

Magic Ten:

Draw a shape with an area of 6 squares.

Divide 945 by 8

Find the product of 420 and 5

_____

What is the value of the digit 5 in 3,452?

What fraction of the shape is shaded?

Which shape has the smaller area?

A

B

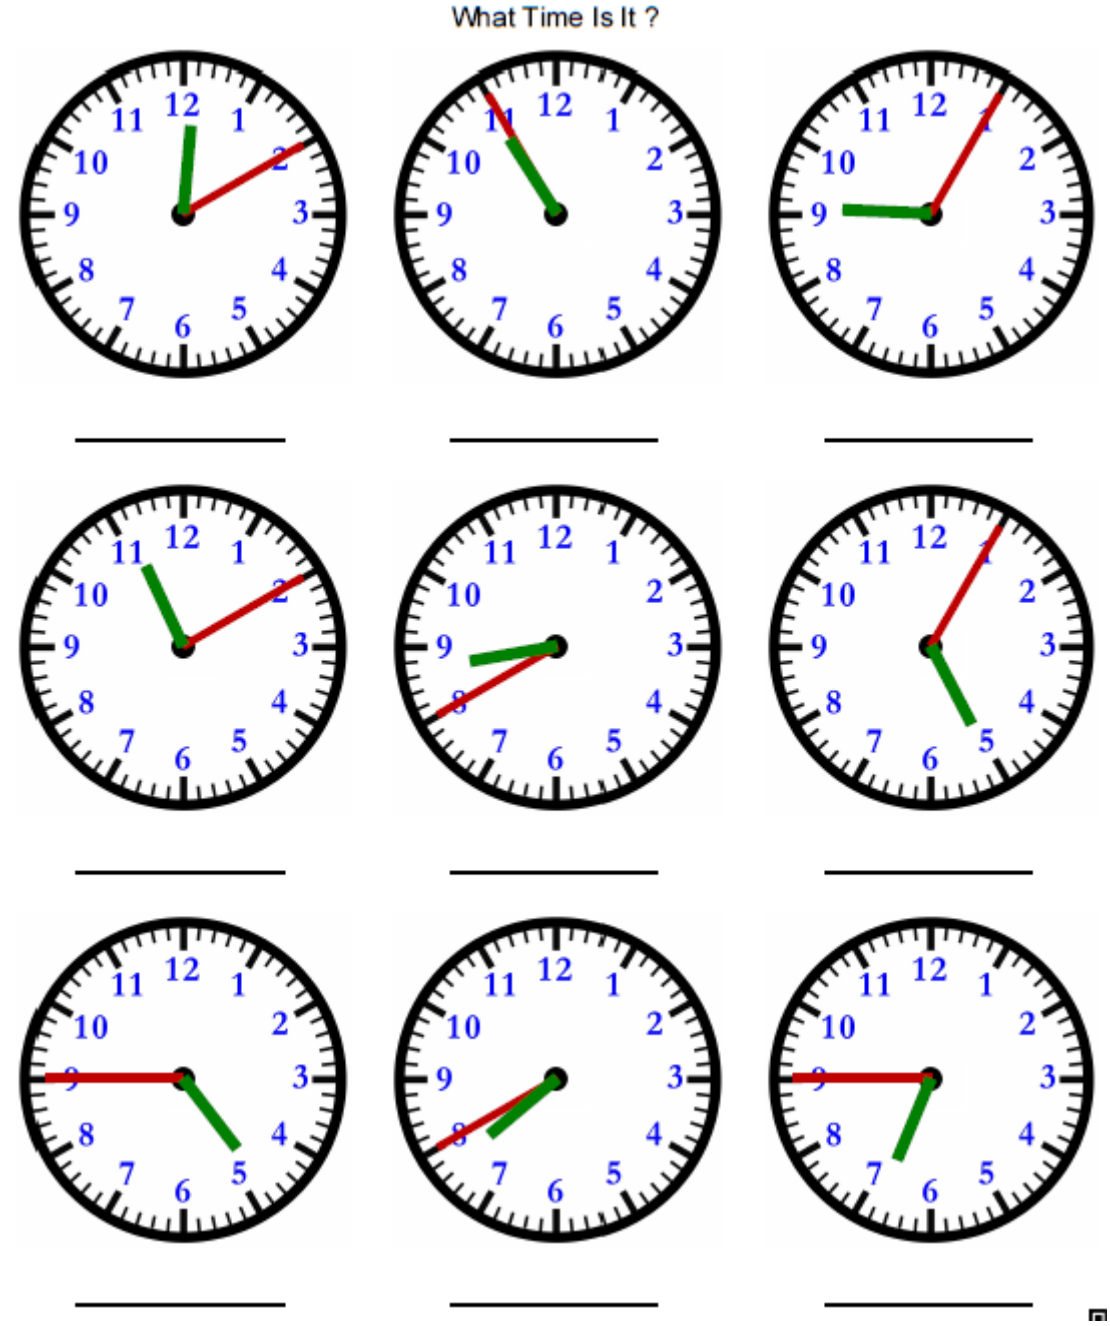
_____

Calculate $2 \times 5 \times 10$

What is 37 more than 849?

Telling the time to the nearest minute:

Recapping time



This week, we are going to refine our time knowledge, aiming to test our knowledge or telling the time to the nearest minute. Look carefully at the minute hand and whether it is 'past' or 'to'.

Click on this link https://mathsframe.co.uk/en/resources/resource/117/telling_the_time_in_words and have a go at this game: (You will need to scroll down on the page).

Tell the time in words. Use language such as 'o'clock', 'half past' and 'quarter to'.

For more measuring and time resources click here.

Click on the play game button then have a go at testing to the nearest minute.

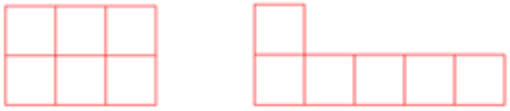
Now you've had a little play, try making these times on this clock:
https://www.topmarks.co.uk/time/teaching-clock

1. Five minutes past six.
2. Twenty-four minutes past three.
3. Four minutes to ten.
4. Ten minutes past one.
5. Midnight.
6. Half past eleven.
7. Quarter to three.
8. Fourteen minutes past two.
9. Twenty minutes to twelve.
10. Seven minutes past seven.

Answers:

x	0	4	1	9	5	7	10	6	3	8
10	0	40	10	90	50	70	100	60	30	80
2	0	8	2	18	10	14	20	12	6	16
6	0	24	6	54	30	42	60	36	18	48
8	0	32	8	72	40	56	80	48	24	64
5	0	20	5	45	25	35	50	30	15	40
3	0	12	3	27	15	21	30	18	9	24
12	0	48	12	108	60	84	120	72	36	96
8	0	32	8	72	40	56	80	48	24	64
7	0	28	7	63	35	49	70	42	21	56
31	0	124	31	279	155	217	310	186	93	248

Draw a shape with an area of 6 squares.



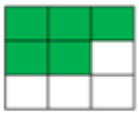
Divide 945 by 8 118 r 1

13 minutes past 4

Find the product of 420 and 5 2,100

What is the value of the digit 5 in 3,452? 50 or 5 tens

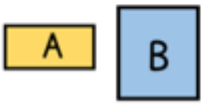
What fraction of the shape is shaded?



$\frac{5}{9}$

Half past 12

Which shape has the smaller area?



A

Calculate $2 \times 5 \times 10$ 100

What is 37 more than 849? 886

English – Tuesday 23rd June

SPaG Starter:

Look at the words in the table. Do they use 'a' or 'an' as a determiner? **Tick one option.**

Word	**'a'**	**'an'**
alligator		
factory		
unicorn		
school		
emergency		

Read the passage below. **Draw an arrow** to where you think the author should have started **a new paragraph.**

Lots of children and families have pets, and dogs are very popular. In this article, we will discuss how you can best care for your pet dog and help it to live a happy life.

Firstly, a dog takes quite a lot of looking after. As well as feeding it, a dog needs exercise, training and companionship.

Magical Stories:

Yesterday, you thought about a goblin's suitcase. Let's take these ideas one step further: Have a read of this poem about a Hobbit's sack.

Six things found in a Hobbit's Knapsack

A wasp's sting to startle unwary goblins.
Two leather-bound books. One titled, 'Tunnel digging for beginners' and the other, 'Wolves and methods for their avoidance'.
A purse of never-ending wishes.
A pot of gold found at the end of a rainbow.
A pair of twelve-league boots.
A fur-lined cape, the colour of rock, for keeping warm in the winter and using as camouflage.

© Pie Corbett 2020

Drawing on your ideas from yesterday, have a go at creating a similar poem with illustrations. You can magpie ideas from this one, but try to have six of your own items.

Answers:

Word	'a'	'an'
alligator		x
factory	x	
unicorn	x	
school	x	
emergency		x

RE - Tuesday 23rd June

Last week we had a look at the 'golden rule' in Christianity, which was to treat people how you wish to be treated.

Today we are going to explore more ideas in Christianity, taught through stories called parables. These stories often have morals, taught by Jesus, to help people become better Christians.

Link to parable.	Name of parable.	Moral. (learning from the story)
https://www.youtube.com/watch?v=sYmRj3s6JLE		
https://www.youtube.com/watch?v=oRZjKDsbGqU		
https://www.youtube.com/watch?v=4r9M2Xlyw7M		
https://www.youtube.com/watch?v=ygxm9AHxp8g		

Choose your favourite parable from the list above and illustrate it (or retell it) in the box below.
