This week we are going to be writing our own story based on our Goblin work over the past couple of weeks. Writing at home is not always easy so I have given you options; you could create your own story similar to the original writing step by step, you could edit the original story following my ideas or be creative and create your own magical adventure with goblins.

Champions at last

After a wait of thirty years, Blagborough Town Football Club can finally call themselves 'Team of the Year'. A thrillingly close final match last Saturday ended in a 3-2 victory for our local team.

"It's amazing," said Ant Trainer, coach for the club. "We have all worked really hard for this and I'm so proud of my team."

Read the sentence below. **Circle the conjunction.**

Adam is good at rugby although he doesn't play very often.

Magical Stories:

Today, we are going to write the next part of the story.

P	• MC explores other world & strange things happen.	• Sammy joins the Tree Goblin birthday celebrations and meets Treerumple the goblin	**Where does your MC end up? Who is there? What party is happening? Who do they meet?**

In this part of the story, you will need to describe the birthday scene. You also need to include some speech about the goblins inviting your main character to join the party.

Let's have a look at this part of the story:

In the middle of the room, a magnificent feast was laid out on a large woven willow table. There were pinecone truffles, sweet sap sorbets, nettle fritters and the finest pollen-puddings. In the centre was an enormous cake covered in long-grass icing and, on the top, over a hundred candles burned brightly. It was a glorious scene and Sammy soon realised that he was in the middle of a birthday party, but not like one he had ever experienced before!

"Hello," came a small voice. Sammy looked down to see one of the strange people smiling up at him. "Hello," replied Sammy.

"My name is Treerumple and I am a tree goblin here in Moon Glen - who are you?'

"My name is Sammy and I am ... well ... a boy!"

"Will you stay for the party? It's Treegruttle's 203rd birthday!"

Sammy wasted no time in accepting the invitation and spent what seemed like hours dancing, eating and singing with the Tree Goblins.

Tomorrow is the last part of your story. Keep up the good work.
