Inspire Challenge Succeed

24th April 2021

Dear Parents,

I hope that you are enjoying a lovely weekend and making the most of the sunny weather.

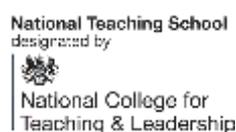

We have had another busy week at All Saints. It is great to see the children enthused and engaged in their learning and enjoying time with their friends.

We have made the very most of the beautiful weather and have taken learning outside with Forest Schools and gardening as well as outdoor sports sessions with class teachers and sports coaches. Children in Acorn Class have been planting flowers in their garden and extended their classroom learning into their outdoor area. We are also delighted to be able to run our after school clubs again, which we know the children love.

DATES FOR YOUR DIARIES:

- 26th April Bikeability starts for children in Willow Class
- 28th April Acorn class start Forest School sessions
- 5th May Parent Forum 9.30am
- 21st May Pentecost Enrichment Day

- 20th July Last day of term
- 21st School holidays start

Motivation Cooperation Creativity Independence Curiosity Stickability

PARENT FORUM

If you would like to come along to our virtual Parent Forum, please do let me know and I will email across a Zoom invitation. This will be a great opportunity to discuss the things that we are doing at All Saints' and to look at future developments. head@allsaintsprimary.org

PARENTS EVENINGS

We will continue to hold our parents evenings virtually this term in the week commencing 24th May. Your child's class teacher will be in touch with you so that you can arrange a mutually convenient time to discuss your child's progress and next steps. Teachers will send out your child's next step targets on Friday 21st May so that you can review these before parents evenings.

COVID RESTRICTIONS

I would like to thank you for your continuing support with the Covid restrictions when bringing your child to and from school. We know that the timings and restrictions may be a challenge with collection of children from different bubbles at different times but at present we need to continue to adhere to these arrangements in order to ensure that we are doing everything we can to minimise the spread of infection within our school community. We are unsure how long we will need to maintain these restrictions but we follow the daily updates from the Department For Education to review and update our procedures.

Kind Regards,

Clare Lamb
Headteacher
