Inspire Challenge Succeed

17th October 2021

Dear Parents,

INDIVIDUAL PHOTOGRAPHS

Just a reminder that the school photographer will visit school on Thursday this week to take individual photographs of the pupils.

ATTENDANCE

As part of our statutory duties we monitor our attendance and absence rates very carefully and are required to share this information with the Department for Education and our Educational Welfare Officer. As part of this process we request documentation for any child who will be absent from school due to a medical appointment or another appointment that takes place within school hours. This documentation can include an appointment letter, appointment card or screenshot of a text confirming an appointment. Please could copies of these documents be copied and sent into school for us to retain on our records for your child.

THANK YOU

Our non-uniform day for UNICEF raised an amazing £160.66 to help the charity support the needs of children across the world. This is a great achievement for such a worthwhile charity!

Thank you also for the donations towards our harvest appeal for the local foodbank. We have an impressive collection of food that I know will be gratefully received by families in need.

GLOBAL CHALLENGE

As part of our work in school to encourage our pupils to develop their global awareness and be global citizens, we have been looking at how to encourage our children to gain a greater awareness of countries and cultures across the world. As part of this work we would like to set a global challenge to the friends and families of the children at All Saints'. If you know of anyone that lives in another country that could send a postcard to your child or their class then we will be able to plot these countries on a map of the world and find out more about them. We hope that we can explore countries from some exotic locations!

Motivation Cooperation Creativity Independence Curiosity Stickability

SPORTING SUCCESS

Congratulations to our three cross country girls who took part in the county stage of the cross country competition this week at The Royal Hospital School. All three have now qualified to represent Bury schools at the regional cross country event. Well done girls – great work!

Well done to some of the girls in years 5 and 6 who took part in a football competition with other Bury schools last week. They played really well and although they lost two matches, they won two and drew in another match. Congratulations!

I hope that you have had a lovely weekend.

Best wishes,

Clare Lamb
