Inspire Challenge Succeed

1st October 2021

Dear Parents,

CONGRATULATIONS!

This week children from years 5 and 6 took part in a cross country competition with other schools within Bury St Edmunds and surrounding villages. All of our children who took part did really well and were great ambassadors for our school and three of our pupils have now qualified to represent Bury St Edmunds schools at the West Suffolk finals at Royal Hospital School in October. Well done to Sophie, Tabby and Amelie, this is a great achievement!

SCHOOL WEBSITE

Just a reminder that the school website: allsaintsprimary.org is a fantastic source of information about our school.

Class Updates:

Each week your child's teacher updates the class pages with photographs and information about the many learning experiences across the curriculum that your child has undertaken in school. In addition, teachers provide information about what children will be learning in the week ahead.

Class pages contain a broad range of information about your child's class along with class newsletters.

Our '**calendar page**' enables you to see what is happening and when.

The '**school information**' tab takes you to information about the school's ethos and vision and values along with information about staff and governors and school performance information.

The '**parent information**' tab provides you with a comprehensive guide to everything related to our school, including information about:

- Attendance
- Covid 19 information
- Curriculum with curriculum guides and information for each year group
- Free School Meals
- Our school Learning Behaviours

Motivation Cooperation Creativity Independence Curiosity Stickability

- Mental Health and Wellbeing
- Safeguarding including online safety
- Special Educational Needs
- Term Dates
- School uniform

and much more!

The '**newsletters**' tab contains each school newsletter since autumn term 2020.

The '**policies and reports**' tab gives you access to a wide range of school policies, which cover our curriculum and many aspects of our school.

GOOD LUCK

Next week children in Elder Class will be performing a scene from Macbeth at the Theatre Royal Bury St Edmunds as part of the Shakespeare Takeover Festival. I have managed to see some parts of the class rehearsals and I have been so impressed by the children's understanding of the play, their interpretation of the scene and their acting skills. The children have been supported through drama workshops with the Theatre Royal and rehearsals with Mrs Kemp and Mrs Bigg. This is such a fantastic opportunity for our pupils and we are delighted to be able to re-engage with this project again. Good luck Elder Class – you will be great!

PRAISE FOR OUR PUPILS

This evening I have been passed a post that has been posted on social media about some of our pupils. The post details how 'wonderfully polite and friendly' our pupils are and what a credit they are to our school and their parents. It is great to hear such positive comments about our children and I am proud that they have been recognised and praised for being the super children that we know they are!

FOREST SCHOOLS

This week children in Oak Class enjoyed their first Forest School session of the new school year. It was great to see how excited they were to be outside making potions, climbing and balancing, finding mini beasts and exploring our school pond. We now have Forest School sessions booked in for all children across the year.

THANK YOU!

Thank you to everyone who brought along bags of clothes and linens for our Bags2School collection. The PTA are already making plans for our Christmas Fair and thinking about ways in which to raise funds to support our school and pupils. If you would like to get involved and give some of your time to support PTA events, please do get in touch : head@allsaintsprimary.org

GENEROSITY WEEK

We will be work with our children to think about the importance of showing generosity and making a difference to others during our Generosity Week commencing on 11th October. During this week children will look at ways that they can help others, support charities, be thankful for everything that they have and bring in foods to donate to a local food bank as part of our harvest celebrations.

I hope that you all have a lovely weekend.

Kind Regards,

Clare Lamb

Headteacher
