Inspire Challenge Succeed

Dear Parents,

As you will be aware, we have had a spike in Covid cases over the past couple of weeks although we hope that we have now passed the peak. However, we ask that everyone remains vigilant and carries out daily LFT testing where you have been informed that your child has been a close contact or that your child undertakes a PCR test and does not come into school if they display symptoms. We are aware that some of the Covid measures may change but until that point, we must abide by the current guidance in place.

SCAFFOLDING

Next week scaffolding will be put in place outside the kitchen doors so that maintain can be carried out on the kitchen fan. This means that the bike racks outside the kitchen window will not be accessible and all bikes will need to be parked in the shelters inside the school gates.

HALF TERM LEGO ACTIVITY SESSION

Lavenham Library will be hosting a Lego and crafts session during half term on Thursday 24th February 2.30-4pm. I have attached the flyer with all of the details.

WOODPECKER SESSIONS AFTER HALF TERM

After half term, we will only offer a part-session at our after school Woodpecker Club on Fridays. This means that Woodpeckers will close at 4.45pm each Friday.

I hope that you have a good weekend and we will look forward to seeing you on Monday.

Best wishes,

Clare Lamb
