Inspire Challenge Succeed

3rd April 2022

Dear Parents,

COVID GUIDANCE

We have received updated guidance from the DFE in light of the changes to Covid guidance from the 1st April 2022 as part of their 'living with Covid' plan:

Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature.

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school when they no longer have a high temperature, and they are well enough to attend.

Children with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 3 days, which is when they are most infectious.
