Inspire Challenge Succeed

17th June 2022

Dear Parents,

This has certainly been a very hot day! The children have coped really well in the heat today but I am sure they are all feeling pretty exhausted this evening. Although the coming days and weeks may not be quite as hot, please could we remind you to send your child to school with a sun hat and a water bottle every day for the rest of this term. Please could you also ensure that you apply sun cream before they come to school.

ENRICHMENT EVENTS

This has certainly been a very busy week where many classes have had curriculum enrichment days and activities:

Children in Year 3 had a fantastic Greek day where they dressed as Ancient Greeks and undertook a range of activities to deepened their understanding of life in Ancient Greece, including creating Greek vases, learning about the history of the Olympics and the children found about about traditional Greek foods as part of their Greek banquet.

Children in Year 4 came to school dressed as Egyptians as part of their Egyptian enrichment day. Throughout the day the children learned about the lifestyles, rituals and customs in Ancient Egypt and the children even experimented with how to mummify a tomato!

Children in Year 5 really enjoyed their Anglo Saxon day. They spent their day making Anglo Saxon shields, exploring crafts such as weaving and tried out javelin throwing. The children looked fantastic in their Anglo Saxon costumes.

Children in Year 6 spent the day at Shimpling Park Farm. They learned about the farming calendar and the machinery used. The class went on a nature walk and found different types of grass and at the pond they spotted the difference between dragonflies and damselflies. The children learned all about how the farm uses renewal energy sources for their heating and hot water too.

The Theatre Royal visited children in EYFS and Key Stage One this week to perform a production about a boy called Alfonso who was a football fan about to have his first party. The children thoroughly enjoyed the performance and it certainly made them laugh!

Motivation Cooperation Creativity Independence Curiosity Stickability

Please look at the class pages on the school website to see photographs of the many exciting things that each class has enjoyed this week. allsaintsprimary.org

OPEN BOOKS

On Thursday 23rd June we will be holding our Open Books event at the end of the school day. This is a great opportunity for you to look at your child's work with them in their classroom and to see the fantastic progress that they have made throughout the year. Open books starts at 3pm. The school gate will be open at this time and you can access the classrooms through the external doors leading onto the playground.

I hope that you have a lovely weekend.

Kind Regards,

Clare Lamb
