Inspire Challenge Succeed

11th December 2022

Dear Parents,

I hope that you have had a lovely weekend despite the chilly temperatures.

Last week children in Acorn, Oak and Ash classes performed their Christmas plays to the whole school and to their parents and families. It was so wonderful to see how enthusiastically and confidently the children performed and how much they enjoyed singing the Christmas songs. Everyone came away with a big smile and full of festive cheer.

As we come to the last week of term we still have a few exciting events to look forward to:

- Father Christmas will pay a visit to all of the classes this week, which we know the children will love.
- We will hold our whole school carol service led by children in Year 5 at All Saints' Church at **2.30pm on Wednesday 14th December**. Parents are welcome to come along to this event. We will reserve some of the seating in church for each class but you are welcome to use the remaining seats and standing space at the back of the church. We will look forward to seeing you there.
- On **Thursday 15th December** we will have Christmas lunch at school along with Christmas music and crackers to get everyone in the festive spirit.

TOY AND GAME SWAP

Christmas is a very expensive time of the year and during the current financial climate, we know that this can place additional pressure on families. We would like to invite parents to bring in donations of toys and games that can be taken away by other families and given as gifts for Christmas or for additional games for their child to enjoy. These toys and games need to be in excellent condition with no pieces missing and be in such a condition that you would be happy for your child to play with them. Please bring in donations on the morning of the event. Don't forget to bring a few bags along to the sale to fill with toys and games for your children! This event will take place on Thursday **15th December at 2.45pm** in the school hall.

FOOD DONATIONS

Thank you to everyone who continues to send in donations of food, cleaning and washing products and toiletries to support some of our families. If you can send in some items this week, we will be able to send home bags of

Motivation Cooperation Creativity Independence Curiosity Stickability

National Teaching School
designated by

National College for
Teaching & Leadership

supplies at the end of this week to provide support during the Christmas break. Your generosity with this has been wonderful this term – thank you!

The cold weather is forecast to last until the end of term. Please make sure your child comes to school wearing a coat along with a hat and gloves. Please make sure that everything is labelled so that we can reunite children with any lost belongings at the end of each day.

See you tomorrow!

Best wishes,

Clare Lamb
