*Inspire Challenge Succeed*

16<sup>th</sup> December 2022Dec

Dear Parents,

As we reach the end of the autumn term I would like to say a big thank you to you all for your ongoing support for everything that we do. It has been wonderful to be able to return to the many things we did before Covid and to be able to invite you all back into school to share your children's work at our open book sessions, to be part of our enrichment activities, and to enjoy our school events and productions. The Christmas plays and our carol service in the church were fantastic with every child showing such confidence and enthusiasm to be part of something so special.

At the start of the school year, I met with the Parent Forum and spoke about adopting 'community' as our word for the year. We talked about ways in which we could come together as a community to support each other through these challenging times. I am so grateful for the support that we have received from everyone for our food collection and for our clothes and toys swap events. I am incredibly proud of how we have all come together to support one another as I know that these initiatives have made such a difference for many of our families and children.

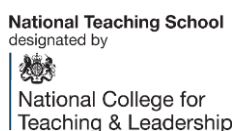

Thank you to the PTA who have done an amazing job at holding such lovely events for our families and for our children whilst raising funds for the school. The funds raised will support enrichment activities for our children across the rest of the academic year.

Thank you to our governing body who work hard behind the scenes and use their skills and knowledge to support and champion the work that we do within school.

My final thank you must go to our wonderful staff team who have worked so hard this term to ensure that every child has had an outstanding education whilst providing such a nurturing and supportive environment in which every child can succeed and thrive. Our staff always go above and beyond and always have the children at the heart of everything that they do. We are very lucky to have such a dedicated team.

**FAREWELL**

*Motivation Cooperation Creativity Independence Curiosity Stickability*

At the end of today, we will say a sad farewell to Mrs Simpson. Mrs Simpson has worked at All Saints' since 2015 and is a much-loved and valued teacher. I know you will join me in wishing Mrs Simpson our very best as she moves to her new school.

**A FINAL REQUEST....APRONS NEEDED!!!**

We would like to replace our very tired and worn cooking aprons for our children and we would like to ask for your help with this! If we have any parents or family members who have some spare fabric and a sewing machine that could sew an apron (or a few) then we would be really grateful. We are happy to have aprons in a variety of shapes and sizes that can be used for different classes.

**AND FINALLY...**

On behalf of everyone at All Saints', I hope that you all have a wonderful Christmas and enjoy time together as a family.

We will look forward to seeing you all on Wednesday 4<sup>th</sup> January 2023.

With very warm wishes,

Clare Lamb

Headteacher
