Inspire Challenge Succeed

4th February 2023

Dear Parents,

CLASS PHOTOGRAPH

Just a reminder that the whole class photographs will be taken on Friday 10th February.

SCHOOL UNIFORM

Please could we remind parents that in line with our School Uniform Policy, on PE days children should wear plain, unbranded navy or black joggers, leggings or shorts for PE along with a plain navy or school PE tshirt and plain navy or school sweatshirt or fleece.

Please could we also remind you that children should wear plain navy jumpers/ cardigans or school sweatshirts/ fleeces as part of their normal school uniform on all other days.

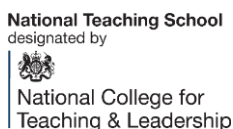

If you are struggling to afford any of the above items, please do get in touch and we will look at ways to support your family.

PARENT FORUM

Thank you to everyone who came along to our Parent Forum led by Mr Noonan and myself this week and who emailed with their feedback in regards to our RSE Policy, which was circulated to parents at the start of the week.

At the forum we explored ideas about how to support parents to talk to their children about online safety and ensuring that children do not access age-inappropriate games or websites. We discussed sharing regular online updates about new social media sites and games that parents should be aware of and seeking expert support from external agencies for parents. As a result of the meeting we have now ordered a digital awareness magazine for all parents, which will give top tips about online safety and information about the sites your child may be visiting online. Once this arrives we will pop a copy in your child's book bag. We have also contacted the NSPCC to book a parent information session about keeping children safe online at home. We will be in touch with a date once it is confirmed.

Motivation Cooperation Creativity Independence Curiosity Stickability

After half term, we would like to plan a Careers Day for all children across the school. As part of this day children will find out about the many different careers that they might like to explore as they get older. We hope that this day will excite and enthuse our children about what they would like to do in the future whilst showing them that they need to work hard at school in order to achieve their dreams. If you would like to be part in this day and come along to school to talk about your job and what it entails then please do get in touch. We would like to have a diverse range of careers for the children to hear about so all offers would be greatly appreciated. We do not have a confirmed date yet but please email me to register your availability and your interest in this exciting initiative so that we can start to plan the day. head@allsaintsprimary.org

FOOD DONATIONS

Thank you to those parents who have sent in items for our collection. All donations of tinned, dried and long-life foods along with toiletries and cleaning products are gratefully received and make such a difference to families within our school community.

I hope that you enjoy the rest of the weekend and we will look forward to seeing you all on Monday.

Best wishes,

Clare Lamb
