Inspire Challenge Succeed

24th September 2023

Dear Parents,

We have had a great start to the new school year and we are so pleased with how every child has settled into school. I spent time last week visiting each class and I was so impressed with how engaged the children were in their learning and how they showed each of our Learning Behaviours in their approaches to their work.

CHURCH SCHOOL INSPECTION

On 18th September we had our SIAMs church school inspection. It was a really positive day and the inspector praised the work that we do as a school to build a strong sense of community built around our vision and Christian values. We look forward to sharing the report with you which will be finalised and sent out to parents within the next three weeks.

Thank you to everyone who gave their time during the inspection to talk to the inspector and for your words of encouragement and support.

ROAD SAFETY AND PARKING

Please could we remind you about parking considerately along the road leading to school and ensure that you do not block the driveways of our neighbour's properties. We know that the road is very busy at drop off and collection times and that finding a parking place can be tricky but please do not park in the car park which is reserved for staff.

PE AND SPORTS

We are delighted to announce that we have been awarded School Sports Games Gold mark again for 2022-23. This is a fantastic achievement that recognises our high-quality sports provision both within the curriculum and within our extracurricular clubs.

Well done to the year 5 and 6 children who took part in the football tournament at King Edward Upper School. They played 3 matches where they drew in two games and won one game. This led them to be part of the final of the developing competition. Unfortunately, they lost to Clare Community Primary School in the final. They all showed good team spirit and great skill.
