Inspire Challenge Succeed

14th January 2024

Dear Parents,

I hope that you are enjoying the weekend.
We have had a great start to the new term and the children have settled quickly back into school.

ONLINE SAFETY

Just a reminder that we have set up parent online safety training on 12th February at 7pm to 8pm. This parent session includes information surrounding keeping children safe online, raising awareness of the issues that children face online, and aims to support you as parents and carers in having those early and regular conversations with your children surrounding keeping safe online.

I hope that you will be able to join this important session and that you find it helpful – several members of staff will also be attending so we look forward to seeing you online:

Topic: NSPCC Online Safety Workshop for Parents & Carers

THANK YOU

Thank you for your understanding about the changes in menus over the past week. We have managed to resolve some of the issues with the ovens and we will hopefully have both ovens working fully within the next couple of weeks.

Thank you also for your support following my email regarding children bringing in healthy snacks for their break times.

COLD WEATHER

As the weather has turned colder and children are bringing in more items of clothing to keep warm outside, including gloves, scarves, and hats, please could we remind you to label all items of clothing so that any misplaced items can be quickly reunited with their owners!

I hope you enjoy the rest of the weekend and we look forward to seeing you on Monday.

Best wishes,
Clare Lamb
